Picture area

Built in 1950 by Inco Ltd, Lively was a planned community designed for modern living, with curved streets, schools, shops, and churches.

Incorporated in 1953 it grew into a thriving town, joining Walden in 1973 and later Greater Sudbury in 2001.

Lively evolved from a company built mining town into a vibrant, self-sustaining community.

Today a center for Ward 2

Honouring Our Roots Celebrating Our Community

Welcome home!

Whether you've lived here for decades or are returning to honor your roots, join us across Lively from July 10-12, 2026, for a memorable weekend celebrating 75 years of northern hospitality.
